RENAISSANCE AND LATER MEDALS

711

***France, Louise of Lorraine (1553-1601), wife of Henry III of France (married 1575),** uniface bronze medal signed by Jacopo Primavera, LOVISIA LOTERIN REGI FRAN, bejewelled bust right wearing elaborate dress and open ruff; signed behind bust, IA PRIMA, 63.5mm (TN -; Mazerolle -; Jones -), *apparently unpublished, a very fine cast with loop attached at top, with dark brown patina* £200-300

The form of the medal is very much in line with uniface medals signed by Primavera of Elizabeth I of England and a certain Hèlene Nisselys, thought to be the wife of the artist, and there is also a medal of Mary Queen of Scots. Very little is known about the artist although his existence is evidently mentioned in a letter published in Paris in 1588 (see Jones p. 159). However it is not impossible for some of the works bearing his signature to be later inventions and the somewhat formulaic approach to his portraits and the anachronistic style of the lettering may point to a later date [this note relies on private correspondence with Mark Jones].

712

***Germany, Amicus Taegius, lawyer from Milan and envoy of Francesco II Sforza,** bronze medal by Matthes Gebel, c. 1529, bearded head right, *rev.,* a woman reclining, holding coat of arms; town in the background, 40.5mm (Habich 995; Trusted 41), *an early cast taken from a pierced example, very fine* £500-700

Ex Peus 286, 1975, lot 22. The specimen in the V&A Museum is similarly cast from a pierced example, so both that specimen and the present piece must emanate from the same pierced medal.

713

***Germany, Johann Friedrich I of Saxony (1503-1554),** bronze medal by Wolf Milicz, 1537, bust facing three-quarters right, wearing the Golden Fleece, *rev.,* battle scene with knights on horseback, 49.6mm (Katz 274; Tentzel pl. 9, II; Lanna 868), *pierced and with casting flaw at 9 o'clock, otherwise an extremely fine contemporary cast* £600-800

Ex Peus 286, 1975, lot 96.

714
***Germany, Hieronymus Wurmbrant zu Stuppach,** lead medal attributed to Raphael Ranghieri, c. 1580s, bust right, aged 31, *rev.,* LAVS DEO, coat of arms, 43.5mm (Habich 3477, pl. 324, 8), *a very fine contemporary cast* £300-400

715
***Germany, Johann Jacob Tezel of Kirchensittenbach,** silver medal, 1646, by an unknown Nuremberg medallist, bust three-quarters right in high relief, wearing gown and ruff, aged 50, *rev.,* coat of arms; with incised legends, 45mm (Erlanger -), *with loop for suspension and has been lacquered, a very fine contemporary cast* £600-800

716
***Italy, Girolamo Andreasi, Count of Ripalta,** bronze medal by the artist Mea of Mantua, c. 1520, bust right, *rev.,* cygnet standing left beneath star, 48mm (Hill 252; Toderi/Vannel 338), *slight edge damage, some areas of weakness but a very fine contemporary cast with brown patina, very rare* £1,000-1,500

Ex Sotheby's, 27 April 1977, lot 374.

717
***Italy, Francesco degli Alidosi (c. 1455-1511), cardinal legate of Bologna and Romagna,** bronze medal by Francesco Francia, bust right in biretta, *rev.,* Jupiter in car drawn by two eagles; signs of Pisces and Sagittarius below, 60.2mm (Hill 610; Pollard 211; Toderi/Vannel 1342), *pierced, a very fine early cast with brown patina* £400-600

718
***Italy, Innocent VIII (Pope, 1484-1492),** bronze medal, attributed to Niccolò Fiorentino, bust left in cope, *rev.,* figures of Justice, Peace and Abundance, 54.5mm (Hill 928; Pollard 293), *pierced, a fine early cast* £300-400

719
***Italy, Paul IV (Pope, 1555-1559),** bronze medal by Giovanni Antonio de' Rossi of Milan, signed and dated 1556, bust right in cope with panels containing full-length figures SS Peter and Paul, *rev.,* figure of Faith walking left holding chalice and two books, 76mm (Attwood p. 131, fig. 33; Toderi/Vannel 2238; Arm. I, 244, 6), *pierced, a very fine contemporary cast, sometime cleaned* £1,200-1,500

Ex Sotheby's, 5 July 1994, lot 52.

720
***Italy, Gianfrancesco Trivulzio (1509-1573),** bronze medal in the style of Leoni, draped bust right, aged 39, *rev.,* nude figure of Fortune rising from a stormy sea in which people are drowning, 60mm (Attwood 146; Pollard 412; Toderi/Vannel 1502), *old collector's number "35" inked on obverse, bust of sitter with later tooling, otherwise a very fine contemporary cast with brown patina* £400-600

721
***Italy, Nicola Vicentino (1511-1572), Musicologist,** bronze medal, Milanese school, bust left, *rev.,* harpsichord inscribed ARCHICENBALVM and organ inscribed ARCIORGANVM, 49mm (Attwood193; Pollard 581; Toderi/Vannel 271; Arm. II, 299, 24 and III, 271, f), *pierced, a very fine contemporary cast* £1,000-1,500

As recorded on the medal, Vicentino was the inventor of both the *archicembalo,* a harpsichord for ancient and modern music and the *arciogano,* a portable organ, and wrote treatises on both. The present medal displays certain flaws found on the other published pieces which vary in size from 48mm (BM) to 50mm (Washington).

722
***Italy, Argentina Rangoni Pallavicini (d. 1550), Poet and Botanist, wife of Guido Rangone,** bronze medal by Antonio Vicentino, bust left wearing gown, necklace and hairnet, *rev.,* Pallavini seated, crowned by Fame; to the right, Neptune seated in the sea, 64mm (Attwood 400; Toderi/Vannel 902), *pierced, a very fine early and possibly contemporary cast* £600-800

The reverse is a different version from the published medals: Pallavicini is looking straight ahead rather than upwards, and other smaller differences are also apparent.

723
***Italy, Pietro Aretino (1492-1557), Poet, Writer and Satirist,** bronze medal, Venetian school, c. 1542, bearded bust left wearing gown and chain, *rev.,* VERITAS ODIVM PARIT, Truth, naked, seated on rock, pointing to a crouching satyr while looking up at Jupiter in the sky, and crowned from behind by a Victory, 60mm (Attwood 407; Toderi/Vannel 746), *a very fine contemporary cast with rich brown patina* £1,500-2,000

724
***Italy, Leonora Cambi (wife of the medallist),** uniface bronze medal by Giambattista or Andrea Cambi, called Bombarda, her bust right in high relief, her left breast exposed and wearing elaborate jewellery and drapery, set on a voluted bracket, 68.5mm (Arm, I, 214, 1; Attwood 667; Pollard 523; *Currency of Fame* 75), *pierced, an extremely fine early cast with brown patina* £1,000-1,500

This example bears identical flaws to the piece illustrated in *Currency of Fame* as well as the example in Washington, both of which are bronze casts. Other examples are found in lead.

725
Italy, Florence, Cosimo I de' Medici (1519-1574), bronze medal by D. Poggini, bust right, *rev.,* harbour of Elba, 40.5mm (Attwood 798), *early cast, fine;* with bronze medal of Giovanni II Bentivoglio attributed to Francia, 28.5mm (Hill 606), *early cast with traces of gilding, fine;* other miscellaneous medals (5), *fine* (7) £150-200

726
***Italy, Alessandro Caimi, Lawyer of Milan,** bronze medal, 1556, attributed to the medallist PPR, bust to left, *rev.,* Fortune and Minerva sailing a ship in stormy waters, 46.6mm (Arm. II, 203, 2; Toderi/Vannel 1512; Pollard 397), *pierced, an extremely fine contemporary cast of high quality with brown patina* £3,000-5,000

See also inside back cover illustration. Traditionally medals signed with the initials PPR (Pietro Paolo Romano) have been given to Pietro Paolo Galeotti who worked in Florence at the mint under Cellini and who was responsible for a series of struck medals of Cosimo de' Medici whose reverses copy the designs of large medallions adorning the courtyard of the Palazzo Vecchio. However, since none of the cast medals signed PPR depict Florentines and are of infinitely finer style and composition, it has been suggested that they are the work of another artist, so far unidentified. The present medal is not signed, but should belong to the PPR group on stylistic grounds. We are very grateful to Cyril Humphris for bringing this issue to our attention, quoting correspondence with Dimitros Zikos.

727
***Italy, Giovanni Gregorio del Sarto,** uniface silver medal, in the style of Antonio Abondio, IOA GREGORIVS DE SARTO AETA SVAE XXXIX, bust right wearing high ruff; unsigned, 40mm (Toderi/Vannel 2877; Arm. II, 233, 21), *an extremely fine contemporary cast, the reverse hollowed and "ARGENT" and "1570" inked in* £2,000-3,000

Neither reference gives a clue to the identity of the sitter but the medal is of exceptional quality, reminiscent of the work of Abondio.

728
***Italy, Philip IV of Spain (1621-1640),** bronze uniface medal by Rutilio Gaci, bust right wearing ruff and elaborate armour, 55.3mm (Vannel/Toderi, *Bargello,* 57), *pierced, reverse hollowed and with traces of sprues, a very fine contemporary cast* £300-500

729
Italy, Renaissance bronze medals of Ippolita Gonzaga, 62.5mm and Philip II of Spain, 66.5mm by Trezzo (Attwood 70 and 85); Pierfrancesco Pallavicini, 63.5mm (Attwood 151); and Emanuele Filiberto of Savoy, uniface, by Ardenti, 75mm (cf. Attwood 658), *later casts, three pierced, fine to very fine;* together with uniface bronze medal of a lady, 19th century cast, 75mm, *extremely fine* (5) £400-600

730
***Italy, Girolamo Carafa (1564-1630), Marquis of Montenero,** bronze medal, Neapolitan school, 1624, armoured bust left; dated MDCXXIIII on truncation, *rev.,* a phoenix in flames, 55mm (Vannell/Toderi,*Bargello,* 1213; Lanna 362; Johnson I, 225), *four small piercings around the rim, an extremely fine contemporary cast* £400-600

The tiny holes indicate use as a badge, to be sewn onto a garment or hat.

731
Italy, Renaissance bronze medals of Faustina Romana, bust left, *rev.,* Leda and the swan, 47mm (Attwood 189), Benedetto Varchi by Domenico Poggini, 50.5mm (Attwood 817), Johann Friedrich II of Saxony by Antonio Abondio, 43mm (Attwood 1140) and a muled medal, *obv.,* Paul III by Cesati, *rev.,* Mercury presenting Lomazzo to Fortune, 49mm (cf. Attwood p. 381, fig. 72 for obv. and Attwood 123 for rev.), *all old casts and generally very fine* (4) £400-600

732
***Italy, The Fall of Phaeton,** bronze plaquette by Moderno, Phaeton falling to earth from his broken chariot drawn by four horses in disarray, 105.5mm (Molinier 186; Kress 160, fig. 168; Scaglia V38/P124 variety A; Lewis p. 140, 29 and fig. 33), *with traces of silvering and reverse with loop and solder marks, otherwise with good detailing and a very fine contemporary cast* £2,000-3,000

Another example was sold in these rooms, 8 December 2005, lot 55, from the John R. Gaines collection where reference is made to the possible involvement of the contemporary “Master of the Augmented Roundels” in the treatment of the border which frames the design.

From a set of roundels which copy engravings by the Wierix brothers after Martin de Vos (1532-1603). Four of the preparatory drawings by de Vos are in the Ashmolean Museum, Oxford. For further information see Avery, Charles, "Antwerp, August 1577, the 'Spanish Fury' and the Liberation of the Citadel: a series of bronze plaquettes after Martin de Vos", *Connoisseur Magazine,* August 1977, where he discusses a possible attribution of the plaquettes to Jacques Jonghelinck.

The Collection of Roman Coins formed by the late Kenneth Edwin Day (Final Part)

Sold to benefit the Department of Coins & Medals at the British Museum

Ken Day started collecting English Coins many years ago but, under the influence of a strong group of collectors of Roman Coins in the Kingston Numismatic Society, he became interested in the Roman (mainly Imperial) series. It was the vast variety of material available to collect that I think impressed Ken the most, and the fact the Romans issued commemorative coins celebrating events that literally changed and shaped the world in a way that other series of coins do not.

His initial aim in collecting was a traditional one for "Romanists" – to try to obtain the best portrait he could of each emperor, relative or actual person shown on the coins struck under the Empire, including those from the Greek Imperial series.

He developed a particular passion for coins of the Emperor Hadrian and I remember when we visited Hadrian's Villa at Tivoli, just outside Rome, how excited Ken was to follow in the footsteps of the emperor I believe was his favourite.

Many of the coins offered for sale previously (Morton & Eden, 3-4 July 2012) and in this auction catalogue were bought when I was present, at Coin Fairs held in London over many years. Sitting in a huddle discussing the purchases we had made that day over a cup of coffee in a nearby café is one of my fondest memories of Ken. He could afford to buy higher class items than myself... but I had the pleasure of sharing in his purchases as a friend and fellow collector.

As a result, I have many times had the pleasure of holding a coin he was adding to his collection that took my breath away. Some of his more interesting pieces have been retained by the British Museum... and so they should, but the fact that Ken decided to let the balance of his collection be sold to aid the Department of Coins and Medals of the British Museum says a lot about him as someone who wanted to share his love of coin collecting with a wider audience. Hence his initiative in recording on video many of the speakers we had at the Kingston Numismatic Society, with a view to making these talks more widely available.

Anonymous seals are often difficult to attribute as they may have belonged to a public official who wished to remain anonymous, a private institution, private individual or one who wished to express devotion to a particular holy figure. Compared to other examples, we can certainly exclude the possibility that this seal belonged to an institution and a more probable attribution would be to a private individual who wanted to express special devotion to the Virgin Mary.

The Buyer's Premium, Buyer's Expenses and Hammer Price are subject to VAT, where applicable.

3. Examination of Lots

(a) M&E's knowledge of lots is partly dependent on information provided by the Seller and M&E is unable to exercise exhaustive due diligence on each lot. Each lot is available for examination before sale. Bidders are responsible for carrying out examinations and research before sale to satisfy themselves over the condition of lots and accuracy of descriptions.

(b) All oral and/or written information provided to Bidders relating to lots, including descriptions in the catalogue, condition reports or elsewhere are statements of M&E's opinion and not representations of fact. Estimates may not be relied on as a prediction of the selling price or value of the lot and may be revised from time to time at M&E's absolute discretion.

4. Exclusions and limitations of liability to Buyers

(a) M&E shall refund the Purchase Price to the Buyer in circumstances where it deems that the lot is a Counterfeit, subject to the terms of M&E's Authenticity Guarantee.

(b) Subject to Condition 4(a), neither M&E nor the Seller:-
(i) is liable for any errors or omissions in any oral or written information provided to Bidders by M&E, whether negligent or otherwise;
(ii) gives any guarantee or warranty to Bidders and any implied warranties and conditions are excluded (save in so far as such obligations cannot be excluded by English law), other than the express warranties given by the Seller to the Buyer (for which the Seller is solely responsible) under the Conditions of Business for Sellers;
(iii) accepts responsibility to Bidders for acts or omissions (whether negligent or otherwise) by M&E in connection with the conduct of auctions or for any matter relating to the sale of any lot.

(c) Without prejudice to Condition 4(b), any claim against M&E and/ or the Seller by a Bidder is limited to the Purchase Price for the relevant lot. Neither M&E nor the Seller shall be liable for any indirect or consequential losses.

(d) Nothing in Condition 4 shall exclude or limit the liability of M&E or the Seller for death or personal injury caused by the negligent acts or omissions of M&E or the Seller.

5. Bidding at Auction

(a) M&E has absolute discretion to refuse admission to the auction. Before sale, Bidders must complete a Registration Form and supply such information and references as M&E requires. Bidders are personally liable for their bid and are jointly and severally liable with their principal, if bidding as agent (in which case M&E's prior and express consent must be obtained).

(b) M&E advises Bidders to attend the auction, but M&E will endeavour to execute absentee written bids provided that they are, in M&E's opinion, received in sufficient time and in legible form.
(c) When available, written and telephone bidding is offered as a free service at the Bidder's risk and subject to M&E's other commitments; M&E is therefore not liable for failure to execute such bids. Telephone bidding may be recorded.

6. Import, Export and Copyright Restrictions

M&E and the Seller make no representations or warranties as to whether any lot is subject to import, export or copyright restrictions. It is the Buyer's sole responsibility to obtain any copyright clearance or any necessary import, export or other licence required by law, including licenses required under the Convention on the International Trade in Endangered Species (CITES).

7. Conduct of the Auction

(a) The auctioneer has discretion to refuse bids, withdraw or re-offer lots for sale (including after the fall of the hammer) if (s)he believes that there may be an error or dispute, and may also take such other action as (s)he reasonably deems necessary.

(b) The auctioneer will commence and advance the bidding in such increments as (s)he considers appropriate and is entitled to place bids on the Seller's behalf up to the Reserve Price for the lot, where applicable.

(c) Subject to Condition 7(a), the contract between the Buyer and the Seller is concluded on the striking of the auctioneer's hammer.

(d) Any post-auction sale of lots shall incorporate these Conditions of Business.

8. Payment and Collection

(a) Unless otherwise agreed in advance, payment of the Purchase Price is due in pounds sterling immediately after the auction (the "Payment Date").

(b) Title in a lot will not pass to the Buyer until M&E has received the Purchase Price in cleared funds. M&E will generally not release a lot to a Buyer before payment. Earlier release shall not affect passing of title or the Buyer's obligation to pay the Purchase Price, as above.

(c) The refusal of any licence or permit required by law, as outlined in Condition 6, shall not affect the Buyer's obligation to pay for the lot, as per Condition 8(a).

(d) The Buyer must arrange collection of lots within 10 working days of the auction. Purchased lots are at the Buyer's risk from the earlier of (i) collection or (ii) 10 working days after the auction. Until risk passes, M&E will compensate the Buyer for any loss or damage to the lot up to a maximum of the Purchase Price actually paid by the Buyer. M&E's assumption of risk is subject to the exclusions detailed in Condition 5(d) of the Conditions of Business for Sellers.

(e) All packing and handling of lots is at the Buyer's risk. M&E will not be liable for any acts or omissions of third party packers or shippers.

9. Remedies for non-payment

Without prejudice to any rights that the Seller may have, if the Buyer without prior agreement fails to make payment for the lot within 5 working days of the auction, M&E may in its sole discretion exercise 1 or more of the following remedies:-

(a) store the lot at its premises or elsewhere at the Buyer's sole risk and expense;

(b) cancel the sale of the lot;

(c) set off any amounts owed to the Buyer by M&E against any amounts owed to M&E by the Buyer for the lot;

(d) reject future bids from the Buyer;

(e) charge interest at 8% per annum above Lloyds TSB Bank plc Base Rate from the Payment Date to the date that the Purchase Price is received in cleared funds;

(f) re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion, in which case the Buyer will be liable for any shortfall between the original Purchase Price and the amount achieved on re-sale, including all costs incurred in such re-sale;

(g) Exercise a lien over any Buyer's Property in M&E's possession, applying the sale proceeds to any amounts owed by the Buyer to M&E. M&E shall give the Buyer 14 days written notice before exercising such lien;

(h) commence legal proceedings to recover the Purchase Price for the lot, plus interest and legal costs;

(i) disclose the Buyer's details to the Seller to enable the Seller to commence legal proceedings.

10. Failure to collect purchases

(a) If the Buyer pays the Purchase Price but does not collect the lot within 20 working days of the auction, the lot will be stored at the Buyer's expense and risk at M&E's premises or in independent storage.

(b) If a lot is paid for but uncollected within 6 months of the auction, following 60 days written notice to the Buyer, M&E will re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion. The sale proceeds, less all M&E's costs, will be forfeited unless collected by the Buyer within 2 years of the original auction.

11. Data Protection

(a) M&E will use information supplied by Bidders or otherwise obtained lawfully by M&E for the provision of auction related services, client administration, marketing and as otherwise required by law.

(b) By agreeing to these Conditions of Business, the Bidder agrees to the processing of their personal information and to the disclosure of such information to third parties world-wide for the purposes outlined in Condition 11(a) and to Sellers as per Condition 9(i).

12. Miscellaneous

(a) All images of lots, catalogue descriptions and all other materials produced by M&E are the copyright of M&E.

(b) These Conditions of Business are not assignable by any Buyer without M&E's prior written consent, but are binding on Bidders' successors, assigns and representatives.

(c) The materials listed in Condition 1(a) set out the entire agreement between the parties.

(d) If any part of these Conditions of Business be held unenforceable, the remaining parts shall remain in full force and effect.

(e) These Conditions of Business shall be interpreted in accordance with English Law, under the exclusive jurisdiction of the English Courts, in favour of M&E.

Morton & Eden Ltd.'s Authenticity Guarantee

If Morton & Eden Ltd. sells an item of Property which is later shown to be a "Counterfeit", subject to the terms below Morton & Eden Ltd. will rescind the sale and refund the Buyer the total amount paid by the Buyer to Morton & Eden Ltd. for that Property, up to a maximum of the Purchase Price.

The Guarantee lasts for two (2) years after the date of the relevant auction, is for the benefit of the Buyer only and is non-transferable.

"Counterfeit" means an item of Property that in Morton & Eden Ltd.'s reasonable opinion is an imitation created with the intent to deceive over the authorship, origin, date, age, period, culture or source, where the correct description of such matters is not included in the catalogue description for the Property.
Property shall not be considered Counterfeit solely because of any damage and/or restoration and/or modification work (including, but not limited to, traces of mounting, tooling or repatinating).
Please note that this Guarantee does not apply if either:-

(i) the catalogue description was in accordance with the generally accepted opinions of scholars and experts at the date of the sale, or the catalogue description indicated that there was a conflict of such opinions; or

(ii) the only method of establishing at the date of the sale that the item was a Counterfeit would have been by means of processes not then generally available or accepted, unreasonably expensive or impractical; or likely to have caused damage to or loss in value to the Property (in Morton & Eden Ltd.'s reasonable opinion); or

(iii) there has been no material loss in value of the Property from its value had it accorded with its catalogue description.

To claim under this Guarantee, the Buyer must:-

(i) notify Morton & Eden Ltd. in writing within one (1) month of receiving any information that causes the Buyer to question the authenticity or attribution of the Property, specifying the lot number, date of the auction at which it was purchased and the reasons why it is believed to be Counterfeit; and

(ii) return the Property to Morton & Eden Ltd. in the same condition as at the date of sale and be able to transfer good title in the Property, free from any third party claims arising after the date of the sale.

Morton & Eden Ltd. has discretion to waive any of the above requirements. Morton & Eden Ltd. may require the Buyer to obtain at the Buyer's cost the reports of two independent and recognised experts in the relevant field and acceptable to Morton & Eden Ltd. Morton & Eden Ltd. shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense. In the event Morton & Eden Ltd. decides to rescind the sale under this Guarantee, it may refund to the Buyer the reasonable costs of up to two mutually approved independent expert reports, provided always that the costs of such reports have been approved in advance and in writing by Morton & Eden Ltd.
